

Music Lesson Registration

2018-2019

Lanham Christian School offers private lessons in piano, violin, and voice for K4 – 12th grade students. Students receive one half-hour time slot per week.

1. A fee of \$25.00 per time slot will be billed on the day of each lesson. When applicable, the cost of music books will be charged when issued. Payment is due on the 15th day of the following month of the charge date and can be made by cash, credit card, or check in the LCS office. Families may also remit payment online via their RenWeb/FACTS account.
2. Students are registered for the entire school year. Families wishing to discontinue lessons at the end of the 1st semester should notify the LCS Business Office by January 6th.
3. Effort will be made to reschedule time slots in the event of student illness or class field trips.
4. Students will not be billed for time slots if the music teacher is not available.
5. Lessons are available over the summer break for parents/students that desire to continue with lessons over the summer.
6. Students that have taken lessons during previous school years will receive priority in the scheduling of lessons. Afterwards, lessons will be scheduled on a first-come, first-serve basis.
7. Students will be eligible to participate in up to two recitals each year. These recitals are a part of the learning process and billed at the normal rate.
8. To receive the maximum benefits from lessons students will need to practice each day (ranging from 15 to 30 minutes).
